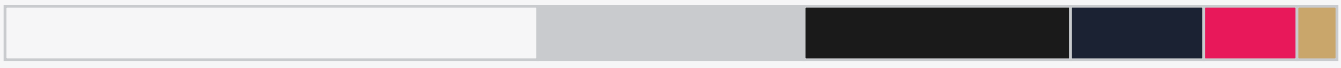
## USAGE RATIO



# Design & Tabs

## DESIGN

- Black-and-white photos with one pop of red, as on the flyer
- Large product images, lots of white space
- Curved section dividers, echoing the flyer's curve
- Circle-framed featured product, like the gold bag on the flyer
- Sticky WhatsApp order button on every page

## TABS

1. **Home**
2. **Shop** — Handbags, Crossbody, Totes, Backpacks, Travel, Clutches
3. **New Arrivals**
4. **Lookbook**
5. **About**
6. **Order / Contact**

# Links & Animations

## LINKS

- **WhatsApp:** wa.me/2347063374333
- **Call:** 07063374333
- **Social:** Instagram, TikTok, Facebook (add handles)
- **Product cards:** "Order on WhatsApp" link with the product name pre-filled

## ANIMATIONS

- **Logo:** the red J draws in, then "ORA" fades in
- **Hero:** images slide in from the left, text from the right
- **Product cards:** grayscale to full color on hover, lift with soft shadow
- **Buttons:** red fill sweeps across on hover
- **Scroll:** fade-up reveals, curved dividers that move slightly
- **Cart icon:** small bounce when a bag is added

## SEARCH KEYWORDS

- handbag, leather bag, crossbody bag, tote bag, clutch, backpack
- woman with handbag, street style, fashion editorial, luxury accessories
- shopping bags, gift box, boutique, minimalist product flat lay

## IMAGE RULES

- **Style:** convert photos to black and white, keep one red element as the pop of color
- **Size:** hero images at least 2000px wide; product images 1200px square; export as WebP
- **Placement:** hero (woman holding a bag), circle-framed featured product, lookbook grid, section backgrounds
- **Avoid:** visible brand logos (the flyer shows a Prada tag; do not use branded bags to sell JORA products)
- **Product pages:** use your own photos of the actual bags. Stock photos are for mood, not for products you sell
- **Licensing:** only use photos from the sites above. Photos with no license are not free to use; images from Google are not safe to reuse
- **Credit:** optional on these sites, but keep a list of photo links for your records
